Rambo is a 5 yr old Brabant / Quarter Horse Bay Roan Draft Cross Gelding that stands right at 16h. Rambo rides extremely well and has seen a lot of miles. He comes from the mountains of Wyoming where he was used to pack elk and people up and down the mountains. He is certainly sure footed, he will cross creeks, over logs, though deep mud, scales steep slopes and has seen more than the average horse. He also will open and close gates, drags logs, side passes and has a nice handle with a nice one hand neck rein. He will ride and lope circles in the arena with or without a bridle and bareback and he knows both his leads. Rambo would make a great working ranch horse to go work cattle on, he loves to work and and he is built to last all day. Rambo has NO buck or rear and is attentive to what his rider ask of him and is not the lazy type and will go when asked. He was ridden by an 8 year old girl to a 56 year old man out in the mountains. He is not one to run off and he could care less about tarps, balls, dogs or anything we threw at him. We have rode him through town many of times and the drive-thru at our bank and he is 100% traffic safe! If your looking for a fun ride and fancy broke new partner he's your guy!
