Description

JUSTICE is a 17 year old gelding, 15.2 hands stunning white with russet patches. He was previously owned by a 10 year old boy who competed with him in 4-H and made it to state competition in both English and Western disciplines. Justice is very familiar with the riding arena and makes an excellent lesson horse. We have also been using him on trails for beginner riders. He never bucks, rears or bolts; completely safe for everyone. Justice had a cataract that was just starting in his left eye when we purchased him 3 years ago and one starting in his right eye as well. We have treated it with medicine that prevents the cataracts from getting worse and that has helped. The vet says the cataracts will not prevent him from being ridden for at least another 10-15 years as they are very slow-growing. We are selling because we have all gaited horses and Justice simply cannot keep up with the gaited horses on our trail rides. He is always lagging 50 yards behind and it's not safe to have him so far behind the others. Justice is the perfect horse for any beginner to learn on as he will give you the confidence you need to learn horseriding. Text cynthia: 814.574.9942
