### Description

Cali is a 15.3hh 17yo rescue mare. Looking for an experienced confident rider interested in an onsite lease near Batavia/Owensville OH. The price depends on what you're looking for, how many days, and if you wanted to help out with barn work or not. Below are some facts about her! Please message me with any other questions or for more pictures/videos.

- Ridden English mostly
- Jumps around 2'3" but has done over 3'
- Has been ridden on the trails onsite alone and with others (needs work again this year since she hasn't been on them in a long time since it's been too wet and hot).
- Has been ridden bitless often and bareback as well.
- I have used her for beginners on trails and in the arena but she needs more consistency again before allowing that.
- No kick or rear
- Can be hot and anxious at times so needs an experienced rider that is comfortable with that.
