Blue is a beautiful 7 year old blue roan quarter horse gelding standing 14.2 hands. He is smart, athletic, curious and fun—he greets you in the field and at the gate. He has excelled at liberty and mark training while having a natural horsemanship foundation. He has a smooth walk, trot canter, sidepasses, yields to leg pressure and stops off your seat. He's been camping, worked with cattle, and has been exposed to dogs, cats, deer, turkey, golf carts and mowers. He has significant obstacle training—his curiosity and willing attitude shine when he is challenged. He is an easy keeper, middle of the herd pastured with geldings and mares and is a farrier's dream with his healthy feet. He doesn't weave, pace or crib. He will perform in the arena all day long and has the necessary foundation and exposures to be a great trail horse and just more trail miles. He has experience with reining basics and has proven to be a willing low level jumper prospect. He's ready to be someone's main horse.
