Monterey Bay V is a Missouri Fox Trotting gelding with all the rights gears and looks! He is around 15.1hh and 15 years young. He has a luxurious running walk and a great four beat saddle gait. Monterey has been riding lots and lots of miles in the rough terrain in Kentucky and Tennessee through rough rocks and raging creeks and all the way up the steepest hills you could imagine. He has seen everything from wild boar to turkeys busting through the brush and barking noisy dogs. Monterey is traffic safe, he loves a good bath and being groomed after a ride! He will neck reign and has a great stop on him he has a great handle and is very responsive. Monterey has a great short lope that is like setting in a rocking chair. He will make a great trail companion for some lucky person. He has miles and years of experience but is young enough to go do it all again! Located in Whitley City, KY.
