Description

Hi this is Dakota. 14 yrs young vibrant gaited pleasure horse. Loves the trail. Great gaits and can walk with qhs as well. Hard solid hoofs always barefoot. I live in San Bernardino mountains where he is primarily used for trail. I would say best handled with experienced rider and or a trainer to guide your way on gaits.

UTD on vaccs, floating and easy keeper. I feed grass hay, brumuda and Timothy. I'm selling at a steal for 4000. I'm having to relocate out of country for work, and I don't want him to sit. Serious inquiries only. I can share videos and photos. Vet check at your expense he has had a check up around 4 moths ago. No problems found. Shipping is at you cost as well.
