Huey is such a special guy and he is looking for his forever home! Originally coming to us as a feral, completely unhandled 6 month old baby, he is now 5 years old, fully socialized and green-broke to ride. He is able to walk/trot under saddle and has done quite a bit of natural horsemanship groundwork. He is a gentle, sweet and in your pocket guy, but like a typical Arabian does have a bit of spook in him. For an intermediate or experienced rider he could be a fun project to continue his training to make him your dream partner!
