Every "cowboys" dream starts here. We are excited to offer one of the best mares we have stepped up on. CoCo is a registered APHA black mare that stands 15 hands tall. She has the perfect conformation standing with a wide chest and big hip. This black mare is extremely well manured and GENTLE! CoCo is an all around seasoned ranch horse. She has done all aspects of ranch work, and has seen more cows than most people. Coco is also a finished rope horse. She has been used mainly on the heel side and used for break away, by all ages..even kids. Completing many jackpots, leaving with the jack-pot! She knows her job. CoCo has been used for team penning and sorting as well! The best thing about her, is you don't have to be a cowboy to ride her! She has been used at the fun shows by kids and adults. Go compete on Saturday night, take her trail riding on Sunday. She will cross ditches, water, or whatever obstacle you put her in front of! CoCo will neck rein, use legs cues and have a big sliding stop. She will lope circles both ways, while catching both leads. She stands to be bathed, groomed, tacked & shod. She will load and unload with ease. She is not marish, and she gets along with other horses! We honestly can't say enough good things about this mare. If you're looking for a beautiful built, sane, smart, trained mare that is capable of doing anything of your choice, CoCo is your lady! Sells 100% sound! No maintenance required!
