- Trainer

Description

Griffin, GA equestrian looking for a part-time or full-time job close to town or within a 1.5 hour radius.

Experience in training, grooming, trail guiding, teaching lessons, etc. I am most experienced with starting/training horses, teaching riding lessons, and starting horses and children of any age/experience on barrels. Minimal experience with jumping; never gone over 2ft. Prefer to ride western but will ride english as well.

Looking to start as soon as you need me! I have open hours 90% of the time and am willing to work out a schedule and reasonable paycheck. Can work weekends and most holidays. I have done a half-pay, half-lease deal before as well.

I will be leaving for Army Basic Training in June of 2022. Willing to have a temporary job or come right back to you after my training, which is about 5 months.
