Description

This gorgeous filly's pedigree is loaded on both the top and the bottom on her papers. (See the picture) You can already see she's got the nice shapely hip to her just like her dam. She is halter broke, stands for the farrier, and loves getting pampered horse style with a curry comb.

Ember's mother is my ride or die mare that no amount of money offered to me could entice me to sell. If this filly turns out anything like her mom you won't be disappointed.

Contact me for more information, or to schedule a time to see Ember. Serious inquires only. If you are a horse trader, don't waste your time contacting me. I'm looking to place the horses I breed and raise into long-term homes straight from my farm/ranch to yours.

I am willing to entertain lower offers, but I know what this filly could be and do, so please spare me the lowball offers.

I have her AQHA papers in hand.
