## Description

Spotted Saddle Horse. Amore Mios' quiet personality and versatility make her a great prospect for any riding level. She is very gentle and will steal your heart creating a lifetime of awesome memories. It is so easy to ride Amore Mio in a group or solo. She progresses with traditional forward movement into her fun smooth gaits, satisfying your desire for a relaxed day in the saddle. You know that is the truth. Amore Mio gets along with other horses, does not spook, and is smartly intuitive to take good care of you. She looks ahead and traverses over bridges, tight switch-back steep trails, up-the-river without much guidance. It is so enjoyable to ride with abandon on a trustworthy horse. Consider yourself fortunate if you were to own this well-trained gaited trail horse. Having fun and relishing pure freedom when you ride is what our horses are all about. Call us, name it, ride it, own it and love it. Horses shown by appointment only. Videos available
