Auction ends September 4th

\$3500 Starting bid

Woodrow is a 13 year old Azteca grullo roan gelding standing 15.2 hands tall. Woody is the most unique colored guy I've seen come through my barn, his perfect head and ears compliment his thick made build nicely. Woody is an absolutely stunning mover and is equally as fun to ride as he is to watch go around. He truly has the baroque style to his physical appearance and in his carriage/movement under saddle. Woodys personality is truly what sets him apart from the rest, he is a total love bug! He loves to be fussed over will lick you like a dog and wrap his neck around you for hugs, he just absolutely loves people. He is extremely clean and quiet in a stall and is good in turnout with other horses and easy to catch.

He is the kind to get you noticed for sure whether it's down the trail or in the show pen he turns heads!!! He is great on the cross ties, bathes/grooms and saddles like a statue, you can clip him without a halter he just stands there half asleep enjoying his pampering. Woody is great for the farrier and vet and a gentleman to load and haul. Woody rides English and western and truly is a dreamboat, he will jump

anything you point him at from cross rails in an arena to logs and other natural jumps out on trail and in the field. Woody moves off leg, neck reins, has a nice stop and backs up easily, he side passes and leg yields and easily takes both leads as well as smooth transitions! Woody would excel great in western dressage, ranch riding, obstacle trail, as well as traditional dressage. I've used him for lesson students from advanced beginner and up and everyone has enjoyed him! I feel completely comfortable with kids on him and around him! Woody is such a relaxed and comfortable ride, his gaits are so smooth and he really is just such a uncomplicated and fun horse to get along with. Woody is great out on trail and is confident traveling over all different types of terrain and rides well alone or in a group! Woody has been to the equine obstacle park where he did many new obstacles such as moving bridges, rolling platform, ponds, cowboy curtain, Texas two step, cake box, teeter totter and more! Woody sells sound without limitations or vices. Located in Everett, PA. Call Benny with any questions at - Click here to reveal phone number -
