Elsa is a stout built, Smooth Gaited Mare, standing 14.3hh, and weighing 1150lbs, she is 11 yrs old and is some beautiful markings! Elsa has been ridden by kids and has been a familys pet until they were forced to move. She is easy for me to catch, clip, bath, tack-up, load, and handle. Elsa has a natural smooth 4-beat gait! She is not spooky acting and on the trails she is always great! She will ride anywhere that she is asked whether that be in the front or back of the group. She is confident and leave the barn or other horses with no issues. She has been exposed to all kinds of wildlife such as deer or turkey or other animals like cows or dogs and will go anywhere that she is asked too. She has been rode many miles in the mountains of Eastern Kentucky and encountered every obstacle possible on the trail. She will go up or down even the steepest slopes, across deep creeks, over downed trees, and over all types of rough terrain while still being sure footed. She will cross busy highways with no issues. She has a great personality and a great attitude about whatever she is asked to do. Feel free to call Trevor with any questions at - [Click here to reveal phone number](#) -
