Description

Wolfert's name was Yorick v.d. Giesenbos before being approved in 2011. He completed ABFP testing for his sire Felle 422 Sport with more than 90 points. He completed stallion testing with scores of 80.0

Wolfert 467 Sport comes from a distinguished genetic heritage. He is from the Felle 422 Sport line and is free of Tsjerk blood. His motherline is from an older rare sport line. From Wolfert's stam line came 13 approved stallions.

Wolfert has a 17.3% kinship. He is especially valued for his racial type and rectangular frame. He has a beautiful exterior with a long, elegant neck, and long dry legs. Wolfert has a lot of scope, suppleness and rhythm in all three paces. His walk is long and powerful. His trot is long and carrying, showing suppleness and elasticity. With a good temperament, Wolfert passes his character and sport ability onto his foals. Wolfert 467 Sport has earned his Sport Predicate in dressage and is working towards earning his driving predicate.

Also available for crossbreeding
