Westie is an 12-year old registered quarter horse gelding. He has great bloodlines. His sire is West Coast Whiz. Westie is a beautiful bay horse with great conformation. He has a big personality. He is a trained reining horse. Backs nice, has a great stop, does great flying lead changes, turns nice, good transitions, side passes, roll backs, and lunges nice. We have done western pleasure shows with him and he did well. He would make a cute English horse also. Westie is 15 hands and a solid bay 100% sound and healthy. He is quite smart and will test you so he is definitely not for a pushover beginner. He has an adorable face and a nice big stocky body. Very easy keeper. He is a horse that needs a job. He has a very nice jog and a nice lope that are both very comfortable. He is very smart and does best with a program and being ridden weekly. He learns pretty quickly. He has had a lot of training and just needs someone to utilize his talents. He is fun to ride and the more you ride him the better he gets! Definitely has a lot of potential! Price negotiable to good home.
