Hendrick is a well bred and well built 6 year old 14.3 hand sorrel gelding. He is gentle and well mannered and easy to ride. In the arena he will move off your hand and leg cues with ease. He has a smooth way of traveling, has a good stop and back up and is well started on his turn arounds. Takes his leads, side passes with ease to open and close the gate. This horse is really settled and solid to ride out. Whether we want to ride down our busy neighborhood or ride him down town Hendrick takes all that busy suburban stuff in stride. Dogs, cars, trucks, motorcycles, bicycles and such are just fine with him. This horse is also an outstanding ranch and trail horse. He is sure footed and reliable out in the tough country. He will lead, follow or go out alone with no fuss. Crosses water, downed trees, bridges all with no hesitation. Hendrick was used extensively on the ranch and has done all the ranch chores. An 11 year old girl often rode him to help her father gather and sort cattle. He has worked the feedlot and cattle sale barn as well. He will watch a cow and work cattle. This is a good minded gentle gelding that has no bad habits and is safe sane and sound.
