Belle is a beautiful gentle well trained and well bred 14.3 hand 5 year old Buckskin mare. She has had some professional reining training and she is extremely gentle and easy to ride and be around. Collects up nice, has a very comfortable slow jog and will lope off on cue and on the correct lead every time. Stops like a dead end street and will roll back and turn around with ease. Belle is a total lady. She is very well mannered and respectful. This horse acts more like a gelding than a mare and is not mareish and is a total sweetheart. Belle is an outstanding trail horse. She is sure footed willing and dependable to ride out anywhere. She will lead or follow or go at it alone. The kids ride her bare back all over the place. Crosses rivers, streams and downed trees and bridges like a seasoned horse should. She is also solid in our neighborhood streets. All the business of cars, trucks, motor cycles and barking dogs are of no concern to her. Belle has also been used on the ranch and has gathered, sorted and pastured roped. She is hobble broke as well. Belle is a good natured and will stand quit all day and does well turned out with the other horses. DNA typed and micro chipped. This is an exceptionally nice handy mare that has her whole life ahead of her. She is pretty headed and has great conformation. You know if we have a mare that she is a special one. 100% safe sane and sound.
